**Notice on Online Class**

It is to inform all the teaching faculty members and the students that in view of the COVID-19 pandemic situation and the inability to conduct class in classrooms within the college campus, the college authority has decided to opt for alternative pedagogies such as flipped classroom and blended learning via online. As such, the college shall be utilizing **Google Classroom** for effective delivery of this new system of learning, till such time as the situation normalizes and classes can be resumed within the college campus.

Students are therefore informed to prepare themselves by doing the following.

1. Open email accounts and download the Google Classroom App  from your mobile play store.
2. Orientation of students on Google Classroom App shall be made via video clippings which will be uploaded in the college whatsapp group.

The above is for information to all the students and teaching faculty members.
